## All Spice Café Gourmet Hot Sauces Awarded 7 2009 Scovie Awards!

**Venice, CA, November 6, 2008** – All Spice Café is very proud to announce that it has received seven (7) awards in the 2009 Scovie Awards Competition. The annual Scovie Awards recognize top fiery foods products from around the globe. In the industry's most rigorous blind tastings, a panel of the country's top culinary experts sample hundreds of the world's most lauded gourmet foods before naming the winners.

All Spice Café's **Cayenne Habanero Sauce** won a **3<sup>rd</sup> Place Scovie** in the *Hot Sauce – Louisiana-Style* and a **2<sup>nd</sup> Place Scovie** in the *Hot Sauce – Habanero* categories. In addition, **Chipotle Garlic Sauce** received a **3<sup>rd</sup> Place Scovie Award** in the *Hot Sauce – Specialty Chile* category.

**Caribbean Spice Sauce** was a **1<sup>st</sup> Place Scovie Award** winner in the *Cook-it-up Meat Required – Jerk Seasoning* category. Previously, Caribbean Spice Sauce received a 1<sup>st</sup> Place Scovie Award in 2007.

The All Spice Café website, [www.allspicecafe.com](http://www.allspicecafe.com), received a **3<sup>rd</sup> Place Scovie** in the *Full Products – Web Site* category. In the *Flat Art - Product Label* category a **2<sup>nd</sup> Place Scovie** was awarded and the *Flat Art - Company Logo* category awarded a **1<sup>st</sup> Place Scovie** for the unique peppery mustachioed logo.

All Spice Café **Cayenne Habanero Sauce** is a hot, delicious and spicy blend of cayenne, garlic, and habanero. This tasty sauce got its start as a hot wing sauce, but is now used to spice up everything from Jicama-Cucumber Slaw to Marinara Sauce.

All Spice Café **Chipotle Garlic Sauce** is a delicious and smoky blend of chipotle, garlic, and cayenne. This is an overwhelming favorite sauce for grilling, used in marinades, and also for a dipping sauce.

All Spice Café **Caribbean Spice Sauce** is a wonderful mix of flavor and heat. There is a hint of jerk seasonings, including allspice, nutmeg, cinnamon, garlic, and onion. This ready-to-pour sauce works well with the lighter meats, like chicken, pork, seafood, even add it to egg dishes.

About 800 products from around the world compete for top honors each year. The Scovie Awards were created by Dave DeWitt, founder and co-publisher of *Fiery-Foods & BBQ* magazine and founder of the National Fiery Foods & Barbecue Show. The awards are named for Wilbur Scoville who pioneered a rating scale for spicy foods and have become the industry standard for excellence in more than 60 categories of fiery foods and BBQ.
